PLANTS SEEDS BULBS
APOPKA • FLORIDA

LIBRARY
MAY 18 1953
U. S. Department of Agriculture

DEAR CUSTOMER,

NOW... is when Your Customers should begin planting **CALADIUM BULBS** outside.

Their colorful leaves, ranging from deep red to pure white make a dandy border throughout the summer months.

These are the varieties and colors we recommend!

- CANDIDUM** - snow-white
with dark green border & ribs.
- MRS. F. SANDERS** - large leaf
splotted green and rose.
- MRS. EDITH MEAD** - snow-white
with red ribs & green border.
- TRIOMPHE DE L'EXPOSITION** -
velvety red center shading to
a narrow green border
